ANOTHER "HOT ONE"

Mr. Hall Goes for the Evening Sheet, "Hammer and Tongs."

ITS ATTEMPT TO DISRUPT

The Republican Party of this City by Repeated Slanders on the City Collector Will be "Called" by that Gentleman—He Denies in Vigorous Terms the Butts-Backman Fairy Story Printed Last Evening.

Under the head line, "A Hot One," the evening sheet yesterday gave to its readers as ridiculous a lot of rubbish as it would be possible to compress into half a column of space. It was to the effect that Mr. James K. Hall, the city collector, had decreed the political demise of Mr. E. Buckman, one of the Republican members of the city board, the alleged reason for this being that the latter was favorable to the candidacy of Mr. Henning for auditor and therefore against Mr. Hall. Mr. Hall, so the story ran, would lend his influence to the city board candidacy of ex-Mayor J. R. Butts just as a matter of political revenge. All of which is without any foundation. Said Mr. Hall last night:

"I know very well the animus of these publications in the News in which I am reflected upon—the manager of that paper has instructed his creatures to 'jump' me at every opportunity, and apparently they are making the opportunities and endeavoring to disrupt our party. The News may criticize my official acts if it pleases, but I am getting decidedly tired of these attacks upon me personally and in the future I intend to take care of myself as the opportunity may arise."

"You may say that there is not a word of truth in the News' publication of my friends and I am not against his re-election as a member of the city board. The record of the board is of such excellence that I believe every member should be endorsed by another term. As to the correctness of the News' allegations respecting Mr. Buckman's position in regard to my candidacy I would refer them to that gentleman himself."

"I shall insist that the News give its authority for the rank misstatements which appear in to-night's issue, and if they refuse or are unable to produce the name of their informant they will stand confessed as prevaricators of the first water."

WILLIAM WHITEMAN DEAD.

The Well Known North Benwood Citizen Passes Away.

The death occurred at 2:30 p. m. yesterday of William Whiteman, an aged and generally esteemed citizen of North Benwood, after an illness of several months, although he hadn't been a well man for years. Mr. Whiteman lived at Benwood since the war, and Whiteman's grove, which bore his name, adjoins the family residence. By occupation he was a miller and he worked at the La Belle and Benwood mill. He was in his sixty-seventh year. Mr. Whiteman was a veteran of the civil war and a member of the G. A. R. His funeral will take place Sunday afternoon, and will doubtless be a large one. The sympathy of a wide circle of friends is extended to the bereaved widow and the following children, all residents of Benwood: Thomas Whiteman, Mrs. Elizabeth Bond, James Whiteman, Mrs. Annie Peck, Charles, Elizabeth and William Whiteman.

A SAD FATALITY

Was the Burning of Little Eugene Harding, Island Lad Whose Clothes Were Ignited from a Fire of Rubbish—The Mother Very Ill.

A sad fatality occurred on the Island yesterday afternoon, the victim being Eugene, the 3-year-old child of Mr. and Mrs. John Harding, of 128 South Elm street. The little fellow died last night at 9 o'clock. He was burned while playing about a pile of burning rubbish in the alley at the rear of his home. His clothes became ignited and in a moment were a mass of flames.

D. L. Henthorne, who lives near, rushed to the child's assistance as soon as he heard the sufferer's heart-rending screams, and tearing off his coat he succeeded in smothering the flames about the child's body with this garment. Mr. Henthorne unfortunately had been too late and the child lingered in agony until death's relief came. Mr. Harding, who is a plasterer, recently moved to Wheeling from Michigan.

A New York Physician Advises His Patient to Take Lydia E. Pinkham's Vegetable Compound.

[LETTER TO MRS. PINKHAM NO. 7245]

"DEAR MRS. PINKHAM—I have three children and suffering with falling of the womb and flooding. My physician says the womb, still the flooding continued and I was no better. At last he advised me to use Lydia E. Pinkham's Vegetable Compound. Then I thought I would write to Mrs. Pinkham for she could advise me better than any one if I was to take her remedies. I received her reply and followed all her directions and I am very glad to send you this testimonial, for Lydia E. Pinkham's Vegetable Compound is just what it is recommended to be. I advise all women who suffer from these complaints to try it."—MAURICE LAMPE, 108 2d Ave., New York City.

"A year ago I was a great sufferer from painful menstruation. I could not lie down or sit down for the dreadful pain each month. I wrote to you and took twelve bottles of Lydia E. Pinkham's Vegetable Compound, and it has helped me so I cannot find words to express my gratitude toward Mrs. Pinkham. I am to-day well and hearty."—MISS JOSE SAUL, DOWEN, CLARE CO., MICH.

More than a million women have been helped by Mrs. Pinkham's advice and medicine.

PARENSIS OR CUSSIDNESS.

With Which Malady is the Register Afflicted?

The following remarkable effusion appeared in Friday's Register:

The exclusive interview with Senator Scott, published by the Register yesterday morning, regarding the effort making to rehabilitate the Hobbs glass works, is fair. But not have an interview with the senator, although it did cause a large amount of interest throughout the city.

"BATTLES OF OUR NATION."

This Great Spectacle and Contender's Band To-day's and Sunday's Attraction at Mozart Park.

The first of the four performances of Contender's great war spectacle, at Mozart park, will be given this afternoon in the school children's matinee, which promises to be well attended by the little folks and the elders. A big crowd is looked for to-night, for the various electrical effects and fireworks are naturally displayed to more advantage in the evening. The banner attendance are due for Sunday afternoon and evening, but the special arrangements ensure comfortable seating.

The big show arrived in Wheeling last night, coming here direct from New York en route to Dallas for the Texas state fair, after which it will tour the south, with a likelihood of showing in Havana. The southern people are certain to applaud the civil war scenes, which show no partiality to the blue or gray. The representations of the late war are given with vivid distinctness and appeal most forcibly to a united American people. Noteworthy are the destruction of the Maine, Dewey's victory, Cervera's fleet's annihilation at Santiago and the Rough Riders' charge at San Juan hill. Then there are specialties galore, and Contender's famous concert band of fifty pieces, making an unprecedented attraction in the history of amusements in this city. The railroads will give excursion rates to "Battles of the Nation" to-day and to-morrow, and reports indicate large delegations at Mozart park from out-of-town on both days.

..New Wear..

The word "new," as applied to Men's Neckwear, has been so shamefully misused as to have lost its real significance. We have never used it except when its full meaning was realized in its most honest sense. Therefore when we say "new neckwear" we mean such neckwear as has never been seen in this city before.
